

A REAL COMPARISON

VenueZoo vs. the rest

Pulled directly from each company's own published pricing and policy pages -- not a summary of them.

	VenueZoo	Eventective	Peerspace	WeddingPro	Tripleseat	HoneyBook	PartySlate
Commission on bookings	0%, always	0%	20% host service fee per booking	N/A -- ad/subscription model	N/A -- software subscription	Subscription + ~2.9% payment processing per transaction	Listing fee + commission (rate not published)
Meaningful free tier	Yes -- real listing, real leads	Yes, but limited direct inquiries	Free to list, but 20% taken on every booking	No -- paid listings start ~\$50-150+/mo, 12-month minimum term	No published free tier	No free tier (\$29-129/mo + processing fees)	No -- requires application, listing fee, and commission
Free tier includes full lead contact info	Yes -- unlimited, every tier	No -- free tier inquiries are limited	N/A -- no subscription tiers, commission-based	N/A -- no free tier	N/A -- no free tier	N/A -- no free tier	N/A -- no free tier
Self-serve pricing you can see before signing up	Yes -- published, no sales call needed	Yes	Yes	No -- quote-based, sales call required	No -- custom quote required	Yes	No -- application required first

Sourced from each company's own published pricing, FAQ, and policy pages. Pricing and terms change -- visit each company's site directly to confirm current terms before making a decision. Tripleseat and HoneyBook are event-management/CRM software rather than discovery directories, and are included here because Eventective itself lists them as comparable alternatives.
